The story's title references a line from Shakespeare's Macbeth, hinting at the theme of change and the loss of innocence. Bradbury uses this evocative phrase to set the tone for a narrative that explores the boundaries between human and alien, reality and illusion.

Plot Summary

The Setting and Premise

The story unfolds on Mars, where a group of Earth colonists has settled, hoping to establish a new life away from the troubles of Earth. However, the planet's stark, barren landscape and unfamiliar atmosphere begin to influence the colonists physically and psychologically.

The Transformation of the Characters

As the story progresses, the colonists start exhibiting strange changes. The protagonist, Harry, and his wife, Cora, experience these transformations firsthand, struggling to recognize themselves and each other.

Climax and Resolution

The climax reveals that the colonists are becoming fully integrated into the Martian environment, effectively becoming Martians themselves. The story ends with a poignant reflection on identity and the inevitable passage of change, emphasizing that the

colonists have become part of the planet they sought to tame.

Themes and Literary Analysis

The Theme of Change and Transformation

At its core, "Dark They Were and Golden Eyed" is an exploration of change—both physical and psychological—and how it impacts identity. The story suggests that adaptation to a new environment can lead to profound alterations that challenge the very essence of what it means to be human.

1. Physical transformation: The golden hue of the colonists' skin symbolizes their physical alteration, indicating a move away from human norms.
2. Psychological change: Their shifting behaviors and perceptions reflect an internal transformation, blurring the line between human and alien.

The Loss of Identity and Humanity

As the characters change, they grapple with questions of identity. The story probes whether these transformations diminish their humanity or if they are simply evolving into a new form of existence. The narrative suggests that identity is fluid and subject to change under external influences.

Alienation and Otherness

Bradbury explores the theme of alienation—how humans feel estranged from their surroundings and themselves when faced with the unfamiliar. The colonists, once familiar Earthlings, become strangers to their own bodies and minds, echoing the universal human experience of displacement.

Symbolism in "Dark They Were and Golden Eyed"

The Color Gold

The recurring motif of gold in the story symbolizes transformation, wealth, and the allure of the unknown. However, it also signifies decay and loss, as the characters' original selves are subsumed by their new alien forms.

The Martian Landscape

Mars itself is a symbol of the unknown and the primal forces of nature. Its stark, inhospitable environment embodies the transformative power of the alien world, serving as both a setting and a catalyst for change.

The Title's Shakespearean Reference

The phrase "Dark They Were and Golden Eyed" alludes to Macbeth's descent into darkness and madness, paralleling the colonists' descent into a new, unfamiliar existence. It underscores the duality of the story—between darkness (the unknown) and gold (the potential for new beginnings).

Literary Devices and Style

Poetic Language and Imagery

Bradbury's prose is richly poetic, employing vivid imagery to evoke the otherworldliness of Mars and the characters' transformations. His use of metaphor and symbolism enhances the story's emotional depth.

Mood and Tone

The tone is contemplative and eerie, fostering a sense of unease and wonder. Bradbury's mastery of mood helps convey the unsettling nature of change and the unknown.

Use of Irony

There is a subtle irony in how the colonists, seeking to escape Earth's problems, end up embodying the very alienness they sought to avoid. Their transformation signifies both loss and acquisition—of humanity, but also of limitations.

| Harry | Husband | Represents the human struggle with change and identity. His transformation embodies the story's central conflict. |
