Historical Background and Origins

Founding and Evolution

The Order of the Eastern Star was established in the late 19th century, with the first chapter founded in 1850 in Ohio. It was created by Rob Morris, a prominent Freemason, who envisioned an organization that would unite men and women in a shared pursuit of moral uplift, charity, and community service. The organization officially adopted its name and structure in 1874, aligning itself with the principles of Freemasonry but also expanding its reach to include women as active members. Over the decades, the OES has grown into an international fraternity with chapters across North

America, Europe, and other parts of the world. Its evolution reflects both the changing societal attitudes toward gender roles and the organization's commitment to fostering brotherhood and sisterhood within a moral framework.

Relationship with Freemasonry

While the OES is not a Masonic organization per se, it maintains close ties with Freemasonry.
