It encourages children and learners of all ages to see the world as a canvas for creativity, to build their own visual universe from simple elements, and to recognize the limitless possibilities of their imagination. **The Core Idea of Make a World** At its heart, *Make a World* involves constructing a personal, imaginative universe through drawing, storytelling, and creative thinking. It's about viewing the act of creation as a way to explore one's environment, feelings, and ideas. Play and Exploration** Emberley's philosophy integrates play as a core component. Children are encouraged to experiment freely, make mistakes, and learn from them.
